

A black and white photograph of a man in a suit and tie, sitting at a desk and looking down at a document he is holding. The document has several large, bold, handwritten-style letters spelling out "I Love You".

A photograph of a whiteboard with handwritten notes in black ink. The notes include a date, a title, a definition, and several numbered points. There are also some diagrams and a small drawing of a flower at the bottom right.

The results are qualitatively, as quantitatively,
very similar to those
of the mean frequencies.

In both cases, the mean frequencies
are qualitatively the same as the general
means.
